

# CI Translate

From installation to translation in just minutes.

Mass translate documents on the fly with speed and ease, available in approximately 80 languages. This CI tool, now available in Relativity, uses Azure Cognitive Services Translator, a Microsoft cloud-based machine translation service, to translate your documents.

## INTUITIVE, FULLY AUTOMATED TRANSLATION

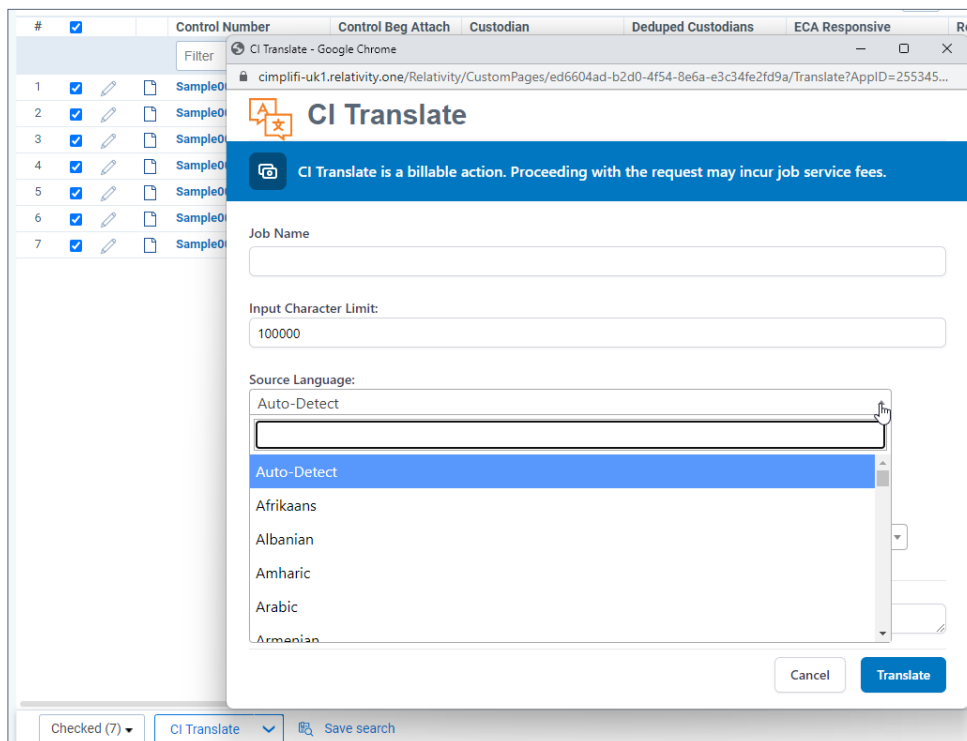

Mass tag the documents you want to translate, select the source language, the target language, and within minutes, the translated text is in your workspace.

## CONFIDENCE AND CERTAINTY

Translator, Microsoft's cloud-based machine translation service, has obtained five ISO certifications, a demonstration of its commitment to providing a consistent and secure service.

## EFFICIENT WORKFLOWS

Simple and swift translations mean you move through your documents with ease knowing your workflow will not be disrupted
